EDUCATION

VVIT (Vasireddy Venkatadri Institute of Technology) <i>B.Tech in Information Technology</i>	2023 – 2027 CGPA: 8.2
Harika Jr College <i>Intermediate</i>	2023 89%
Markaz Darul Bir <i>SSC</i>	2020 CGPA: 7.5

PROJECTS

Smart Rural Health Network

- Designed and developed an AI-enabled multilingual healthcare assistance application for rural users.
- Integrated the Google Speech API to enable voice-based symptom input in multiple languages.
- Built backend services using Node.js and managed healthcare data using SQLite.

E-Commerce Product Catalog

- Developed a cloud-based shopping application using Python Flask and AWS services.
- Integrated a secure database, cloud storage, and monitoring services for reliable deployment.

SKILLS

Programming : C, Java

Backend & APIs : React, Node.js, REST APIs

Database : SQL

Web Technologies : HTML, CSS

Tools : GitHub, VS Code

Concepts : Data Structures & Algorithms

Soft Skills : Quick Learner, Adaptability, Good Communication, Teamwork

CERTIFICATIONS

- **TATA – GenAI Powered Data Analytics Job Simulation (Forage)** – 2026
- **Infosys Springboard Certification** – 2024
- **AWS Cloud Computing – DevOps Intern** – 2026
- **CodeChef – Data Structures & Algorithms** – 500 Difficulty Rating (2025)
